The Duke of Edinburgh's Award Aerodromes and Airports

Thank you for choosing the Aerodromes and Airports course through the UK Civil Aviation Authority. We are passionate on sharing our knowledge with the next generation of talent to enter the aviation industry and giving you the opportunity to learn a new talent. This course will contain key skills such as knowing the licensed Aerodromes across the United Kingdom and the ICAO codes that are associated with them.

The below is a series of signposts of work that can be undertaken in any order. Each activity should last a minimum of one hour per week for the minimum time suggested. This course is designed for Bronze level award lasting 3 months (13 weeks), and can also be used to combine to achieve Silver and Gold awards.

After completion of the course please confirm you have done so by emailing **dofe@caa.co.uk** with your eDofE ID so we can process your skills award.

Week	Activity Name	Page
1, 2	Reference Terms 1	3
3	Reference Terms 2	3
4	Reference Terms 3	3
5, 6	UK Aerodromes 1	4
7	UK Aerodromes 2	4
8	ICAO Codes 1	5
9, 10	ICAO Codes 2	5
11	Licensed Aerodromes 1	6
12	Licensed Aerodromes 2	6
13	UK Aerodromes 3	6

You may fill the sheet digitally, or handwrite answers before scanning them for submission.

Reference Terms 1

Explore the terms 'Aerodromes' and 'Airports'. Research the definitions and differences, and make notes in the space provided – this will help you for Reference Terms 2.

Reference Terms 2

From your research undertaken in Reference Terms 1 and in your own words, provide a summary / definition of what you have learnt. Please ensure to reference your sources.

Reference Terms 3

What does ICAO stand for and what is their role in respect of aerodromes, name any documents you can find to support this?

5 6 UK Aerodromes 1

Using what you learned previously, research the total number of Aerodromes within the UK.

You may want to list out the types and whether they are Licenced or Certified Aerodromes.

Note: think about what countries make up the United Kingdom.

7 UK Aerodromes 2

From your research in task ICAO codes 2, which UK airport is unique being the only airport in the world where scheduled flights take place on the beach. Name the scheduled airline operating out of this airport. Include some pictures.

Name

8

ICAO Codes 1

Research the 4 letter ICAO codes for the following UK airports.

In addition, research for your local / closest licenced General Airfield Airport and state their ICAO code.

London Heathrow

London Gatwick

St. Mary's Airport

Edinburgh Airport

Inverness Airport

Sources:

9 **10**

ICAO Codes 2

Research and name all the airports owned and operated by the Highlands & Island Airports Ltd. (HIAL) group of airports. Also state their ICAO codes.

You may fill the sheet digitally, or handwrite answers before scanning them for submission.

11

Licensed Aerodromes 1

Research and list the <u>two</u> types of licenses issued to an Aerodrome by the UK Civil Aviation Authority (CAA).

12

Licensed Aerodromes 2

From the research undertaken for Licensed Aerodromes 1, provide a summary of the difference between the two types of licenses.

13

UK Aerodromes 3

What is the busiest Airport in the UK? Base your answer on the research of the 5 busiest airports of the UK with their annual passenger numbers post Covid-19.

Congratulations on completing the logbook!
